The Gruden-Allen era in Tampa Bay is over. The Morris-Dominik era is about to start. Give credit to the Glazers for keeping an open mind on this and not just going out and hiring the biggest name. That worked briefly with Gruden, but there didn't seem to be any real direction for this franchise in the last few years.

Before that, Morris was Tampa Bay's defensive backs coach for two seasons in his second stint with the team. He first joined the Bucs in 2002 and stayed until he went to Kansas State as defensive coordinator for one season in 2006. Morris also played college football at Hofstra.

This guy is a true players' coach. He's also going to be a true fans' coach, nfl jersey me, but it might take a while to get to know him. All indications are Tampa Bay fans are going to love Morris.

But Morris and Dominik may get a honeymoon period that had long ago expired on Gruden and Allen, south carolina football jersey, and fans may have to be a little patient in the growing process.

The Glazers, known for their quiet and calm, apparently were outraged as well. They took their time (three weeks) and did their homework. These guys are sharp and they talked to players and assistant coaches. Word is, reebok hockey jersey, Gruden didn't get glowing reviews. I think that was Jeff Garcia I saw doing cartwheels up and down Dale Mabry Highway when the firing was announced.

That's something that couldn't be said about Gruden. His act had worn thin in Tampa and fell apart completely when the Bucs lost their last four games to finish 9-7 and out of the playoffs. Tampa Bay fans were outraged.

In short,nfl jerseys 2012,1980 usa hockey jersey,real nfl jerseys, the Glazer family — Malcolm and sons Joel,authentic nhl jerseys cheap, Bryan and Ed — like big names. So,make your own nhl jersey, how in the heck are the Glazers hiring Raheem Morris as the head coach of the Buccaneers?

So who is Morris?

Morris also is, in a lot of ways,nhl custom jerseys, the anti-Gruden. All of that factored into the decision the Glazers made Friday, firing Gruden and general manager Bruce Allen and putting Morris and long-time personnel executive Mark Dominik in their spots.

I'm guessing Tampa Bay fans won't mind because they'll have a coach and general manager who actually are following a plan.

Well, to make a long story short,personalized nfl football jerseys, he's Tony Dungy. Or Mike Tomlin. Or Lovie Smith. Or Rod Marinelli,hockey jersey,giants football jersey, back when it looked as if he could win a few games.

They even went out and bought the fabled Manchester United soccer team.

TAMPA,cheap baseball hats, Fla. — In the past,youth nhl jerseys, they've flirted with the likes of Bill Parcells and Steve Spurrier (back when he was a big name) and sold their souls (and two first-round picks,make your own nfl jersey, two second-round picks and \$8 million in cash) to get Jon Gruden.

Al Messerschmidt/Getty Images The Glazers, known for pursuing big names, opted for a relative unknown in Raheem Morris. Owners typically hire a new coach with the opposite demeanor of the old coach.

For Dallas Cowboys owner Jerry Jones, it's uncertain whether he will follow tradition in replacing Wade Phillips and new interim head coach Jason Garrett after the season. Phillips has always been a coach who creates a positive, supportive environment for players,customize hockey jersey,wholesale nfl jersey,cheap nhl hockey jerseys,customized nhl jerseys, which has led to criticism his teams sometimes were undisciplined.

The logical move would be to hire a disciplinarian, as Jones did in 2003 when he chose Bill Parcells to replace Dave Campo. Logic would point to a big-name coach with winning experience.

Although successful, the Parcells experience was tough on Jones. Parcells wanted a big voice in personnel. Jones likes to pick the players and have coaches teach them. That's why Bill Cowher -- perhaps the biggest winning name available -- probably won't get the job. Since leaving the Steelers,air force hockey jersey,nike 2012 nfl jerseys, Cowher has been looking for a head-coaching job that pays top dollar on a franchise that has an elite quarterback. Like Parcells, Cowher wants control of the personnel office. That's why he probably isn't a fit. Remember,new nike jerseys,boston college hockey jersey,ncaa football jerseys, Jones could have hired Mike Shanahan during the offseason but decided to stay with Phillips.

Here are the main candidates for the Cowboys' job:

Jon Gruden, former head coach of the Oakland Raiders and Tampa Bay Buccaneers: Gruden is the perfect choice,nike football nfl, but there is more of a chance he will stay in broadcasting until at least 2012. Should Gruden decide to coach in 2011,authentic nhl jerseys,michigan football

jersey, Mike Holmgren of the Cleveland Browns could be after him, ireland football jersey, but Jones will be all over him. Gruden, nike pro combat uniforms nfl, football jerseys cheap, who signed a multi-year extension with ESPN last November, has a brilliant offensive mind. He is a master of the West Coast offense, but he also orchestrates a well-structured running attack. Some of Gruden's run schemes are the most innovative in football. Gruden would be a nice mentor for Tony Romo. Though he can be tough on veteran quarterbacks, fdny hockey jersey, Gruden got the best out of Rich Gannon when he was with the Raiders and Brad Johnson when he was with the Bucs. This could be Gruden's job to lose, cheap nhl jersey, but don't be surprised if he passes on the opportunity.

John Fox, nike nfl combat uniforms, Carolina Panthers head coach: There would be no better compromise candidate than Fox. He's a winner. He fits in Dallas because he doesn't demand control of personnel. He's a coach's coach. Fox, nfl jersey size chart, buy jerseys, in the last year of his contract with the Panthers, nike nfl pro combat uniforms, has taken players given to him in Carolina and made the most of the situation. With Jones, cheap nhl jerseys, nfl uniforms, nfl nike jerseys, edmonton oilers hockey jersey, Fox would be getting an owner who isn't afraid to spend and keep a talented team together. Fox is considered a players' coach, but he is organized and runs a disciplined operation in which players enjoy the experience.

Marvin Lewis, toddler nhl jersey, Cincinnati Bengals head coach: Lewis, how to make a football jersey, whose contract is up after the season, has won two division titles for Mike Brown in Cincinnati. He would like more control of personnel in Cincinnati. Although he might not get that control in Dallas, nfl jersey contract, custom nhl jersey, coaching for one of the best brands in sports is highly appealing. Jones knows Lewis well from their time together on the Competition Committee.

Leslie Frazier, Minnesota Vikings defensive coordinator: Frazier is one of the league's hotter assistant coaches, but it's debatable whether Jones will go for an assistant. Phillips was the Chargers' defensive coordinator when Jones hired him as Dallas' head coach. Phillips' head-coaching experience in Denver and Buffalo appealed to Jones. This would be Frazier's first chance to be a head coach.

Ron Rivera, worst nhl jerseys, customizable hockey jerseys, San Diego Chargers defensive coordinator: Rivera was a hot name a few years ago when he was the Chicago Bears' defensive coordinator. He's getting hot again because of the work he has done in San Diego, which has the league's second-ranked defense. Rivera took a chance in joining the Chargers to learn the 3-4 scheme. Even though the talent base of the Chargers has dropped off the past couple of years, air force football jersey, youth nhl hockey jerseys, Rivera has put together creative schemes.

Mike Zimmer, reebok hockey jerseys, Cincinnati Bengals defensive coordinator: A former position coach and defensive coordinator in Dallas, patriots football jersey, Zimmer is disciplined and aggressive, a on hockey jersey, customized hockey jerseys, and players like playing for him. And Jones knows him, retro hockey jerseys, a big plus. Sports Blog Morris, nfl youth jerseys, Dominik will at least bring a plan to Bucs

Tagged with:

Part of Gruden's problem might have been that he was a bit of a showman and people stopped buying that when he didn't win a playoff game after the Super Bowl. They also stopped buying it when, year after year, nhl home jersey, Gruden and Allen just patched together the Bucs without anything that looked remotely close to a long-term plan.

Posted by ESPN.com's Pat Yasinskas

And maybe the Glazers looked around the league and saw men such as Atlanta's Mike Smith and

Baltimore's John Harbaugh having success in their first seasons as head coaches on any level.

Maybe the Glazers looked at the Bill Cowhens and Mike Shanahans of the world before making their decision and realized what they had in their own backyard. They had a future star in Morris and the anti-Allen in Dominik, wholesale football jerseys, who at least has social skills. Dominik also has a strong reputation as a personnel evaluator.

You'll hear a lot more about Morris and Dominik once the Bucs make this official, nfl jersey show, and I'm guessing they'll sound more like Dungy and former general manager Rich McKay than like Gruden and Allen. They may or may not bring instant success.

That's the bio, but here's the stuff that goes deeper than that. Morris was going to be a head coach in this league someday. Coaches who've worked with him rave about him and players who play for him do it even more vocally.

That's why Gruden and Allen are gone and Morris and Dominik are getting promoted. The Bucs once ran Dungy out of town because he couldn't win the big one. They also watched as Tomlin, Smith and Marinelli worked as Tampa Bay assistants and left for head jobs and, for the most part, great success.

We'll likely find out a lot more Saturday, when an introductory news conference is expected to be held. But here's the short version. Morris is 32. He was Tampa Bay's defensive coordinator — for about two weeks.

Many early ridicule drafts are pointing to Clemson running after C.J. Spiller as a feasible Seahawks?;ÿ selection with an of their first-round picks. (Streeter Lecka/Getty Images)

Put this an strictly surrounded the ?;ãfun things to ponder?;ÿ division by the moment,2012 new nfl jerseys,barely there is by least reason to wonder if New Orleans Saints running back Reggie Bush might be a appealing eligible with the Seattle Seahawks about to.

Bush is still owed approximately \$20 million as the final two years of the original six-year,nba

basketball jerseys, \$52.5 million handle he signed with the Saints as the No.2 pick in the 2006 draft.

While the former USC star has contributed to the Saints' Super Bowl run this season as a versatile backfield and punt-return menace he's never developed into the big-time running back behind highest envisioned coming out of college.

Thus the speculation is high namely the Saints ambition both ask Bush to restructure his deal subsequently yearly or venture to trade him.

On its Insider NFL rumors page yesterday, ESPN.com darted out the notion of Bush being a candidate to land both among Seattle or San Francisco and regional NFL blogger Brian McIntyre picked up aboard a Tweet according Miami Dolphins beat reporter Omar Kelly saying there's a lot of buzz a nearly Bush rejoining Pete Carroll surrounded Seattle afterward season.

Let's go cautiously here, nba jerseys wholesale, given Super Bowl hype which generally means sports writers talking to every other is a long access from something actually affair But where there is smoke occasionally it makes sense to discern as a latent flame.

The visible connection with Seattle is Carroll, make your own nba jersey, his age guide by USC. And Carroll has made it clear that an of his first priorities is improving the Seahawks' flee game.

Much of namely has centered initially around the hiring of combative line guide Alex Gibbs, cheap baseball jersey, a guru of the zone-blocking contrive and a man Carroll feels can have significant impact on Seattle's ground aggression.

Less talked about to date is what the Seahawks want do along running behind Julius Jones has two years and \$5.25 million left on the four-year deal he signed in 2008 and Justin Forsett is likewise below contract amongst 2011 as just over \$1 million absolute.

While Forsett is an inexpensive and promising adolescent the Seahawks could release Jones and work a vary direction.

Many early sneer drafts have the Seahawks choosing 5-foot-11, 195-pound speedster C.J. Spiller with the 14th pick among the 1st circular

But what whether Bush is procurable Isn't he essentially a more-proven version of the Clemson behind?

And whether the Seahawks can acquire Bush, namely frees up their first-round draft pick to be accustom as an of the other mob of shortcomings aboard the roster.

That said I'm never sold along always aboard Bush being a sure-fire solution to Seattle's flee game woes He's been injury-prone in the NFL, missing 12 games over the past three years is a quarter of the Saints' starts.

He's certainly a considerable breakaway menace, nike nfl pro combat uniforms, additionally he's averaged impartial 8.1 yards on kick returns within his NFL calling Nate Burleson has averaged nine.8 yards per return and also is a experienced kickoff return man, something Bush has never been asked to do.

Bush has developed into a comely situational back as the Saints and his receiving aptitude makes him a definite twin threat merely he certainly hasn't shown the talent to be an every-down guy surrounded the NFL.

So meantime Seattle could split time with him and Forsett, namely seems an odd pairing given either are similar styles albeit Bush being faster (and distant more expensive).

I could discern Bush replacing Forsett and teaming with again after among Seattle, barely never being accustomed solely among conjunction with Forsett.

In New Orleans, Bush (6-0, vintage nba jersey, 203 pounds) has basically become the third running option after Pierre Thomas (5-11, replica nfl jerseys, 215) and Mike Bell (6-0, 225). Bell is the hard-nosed, physical runner the Seahawks seemingly paucity unless you believe Jones could fill namely character better after an amended offensive line.

Those are the types of decisions facing Carroll and his Seahawks' staff this offseason. But here's a new thing worth considering. Both Thomas and Bell originally were undrafted free agents coming out of college so it isn't always the much-ballyhooed Reggie Bush types namely acquaint a team agreeable.

Same is true with Forsett, a seventh-round pick out of Cal within 2008.

The new Seahawks staff ought discern what it has with Forsett, who looked exceedingly appealing in the zone-blocking invent last yearly He's never big (5-8, personalized mlb jerseys, 194), merely has eminent instincts and amazing strength.

Could Bush supplement the Seahawks' aggression in a change alternatively better way The good thing is none should comprehend namely answer better than Carroll, so stay tuned.
